2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I've seen continued poor service and performance of the water system, sewer spills and pollution. I'm concerned about the environment, the health of the lake and our community. Multiple increases have been granted and level of service does not seem to improve much ..

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
